ACCLAIM from PREVIOUS CAMPERS:

Two weeks of a Noyes Camp retreat from “too much to do”, was the best gift to my soul and body this summer.

“Next year, I’ll remember to bring things for the clothing closet (boutique) and auction. Noyes is a special place”.

From a Pianist: “I had a wonderful week at Noyes. I am thankful for the inspiration that the Noyes Dancers give me throughout the year”.

“It was not until I returned home that I reaped the full benefit. Much to my delight I discovered that I possessed self confidence, fortitude and most important of all, a sense of inner tranquility.”
